

## *How does the Tax Credit Work?*

A.R.S. 43-1089 was enacted by the Legislature to give Arizona taxpayers the opportunity to support a student, a group of students or an extracurricular program.

A tax credit is a dollar-for-dollar reduction in the actual tax owed. For example, if you owe \$800 in State income taxes and you donate up to \$400 on a joint return or up to \$200 on an individual return, you may subtract those amounts from your tax bill. ***Due date for tax credit is December 31 of each year.***

Acorn Montessori does its best to apply your donation as specified. However, in the event that this is not possible, the contribution goes to the central tax credit fund at each school to support other worthwhile activities.

Contributions from businesses are always welcome and appreciated. While these contributions may be claimed as a business deduction, they may not be claimed as a tax credit.
